Dear Sir:

Interest of Entity Making This Disclaimer

Broadcom Corporation (hereinafter referred to as "Broadcom") is the assignee of the entire interest in the above application, as well as U.S. Patent No. 6,693,475, issued to Christian A.J. Lutkemeyer, on February 17, 2004.

Disclaimer

Broadcom hereby disclaims the terminal part of any patent granted on the above-identified application, which would extend beyond the expiration date of said U.S. Patent No. 6,693,475, and hereby agrees that any patent so granted on the above-identified application shall

be enforceable only during such period that said patent is commonly owned with said U.S. Patent No. 6,693,475, this agreement to run with any patent granted on the above-identified application and to be binding upon the grantee and its successors or assigns.

It is to be understood from the foregoing language that Broadcom does not disclaim any terminal part of any patent granted on the above-identified application prior to the expiration of the term of said U.S. Patent No. 6,693,475, even if the effective life of said U.S. Patent 6,693,475, is shortened by a subsequent event (such as, for example, failure to pay a maintenance fee, a court or Patent Office ruling, or a disclaimer by the Patentee).

Fee Status (37 C.F.R. 1.20(d))

Please charge the fee, if any, to the deposit account of McAndrews, Held & Malloy, Ltd., Account No. 13-0017.

Evidentiary Statement

The evidentiary documents accompanying or referred to in the Terminal Disclaimer have been reviewed by the undersigned, and it is certified that, to the best of the assignee's knowledge and belief, title is in the assignee seeking to take action.

Dated: October 22, 2004
